Location & Wayfinding

- The event will take place in Orlebar Park, immediately beside the Orlebar Park sign.
- Staff will be available to help direct participants upon arrival.

Terrain

- Activities will take place on a combination of well-packed gravel paths, relatively flat grassy areas, and picnic tables.
- Participants are welcome to choose the workspace that best suits their mobility and comfort.

Weather & Shade

- Shady trees and a shade shelter will be set up to reduce heat exposure.
- A drinking water fountain is onsite for refilling water bottles and staying hydrated.

Sensory Information

- Participants may experience:
 - Natural scents such as grass, soil, and plants.
 - Artificial scents from sunscreen or insect repellent worn by participants.
 - Generally quiet surroundings, with occasional distant traffic noise or sounds from nearby sports fields if they are in use.

Health & Safety

- There will be a stocked first aid kit available throughout the event.
- There are no public washrooms available on site.
- Participants are encouraged to bring:
 - A refillable water bottle
 - Sunscreen / insect repellent, if desired
 - A hat
